Re: Reconsideration for Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322.

Respecting the alleged error(s) in the drawing figures, drawing figures are not correctable by way of certificate of correction unless new clean drawing(s) is/are submitted and approved by the office. Therefore, no correction is in order here.

In view of the foregoing, your request in this matter is denied.

However, further consideration will be given these matters, upon receipt of a request for **Reconsideration** certificate of correction (reconsideration should be accompanied by supporting document(s) such as, amendment, postcard receipt, 1449/892 w/references considered by examiner, etc.) and should be filed and directed to Decisions & Certificates of Correction Branch.

A certificate of correction will issue to correct the remaining error(s) so noted.
